Homeland Security Grant Funding Programs

- Homeland Security Grant Program funding includes:
  - State Homeland Security Program (SHSP)
  - Law Enforcement Terrorism Prevention Program (LETPP)
  - Urban Areas Security Initiative (UASI)
  - Metropolitan Medical Response System (MMRS)
  - Citizen Corps (CCP)
Homeland Security Grant Program Goals

Enhance state and local governments' capabilities to prevent, protect against, respond to, and recover from terrorist attacks, major disasters, and other emergencies.
Process

- Each state submits prioritized list of investments for funding
- Peer Review of investments analysis of relative risk to assets and populations
- Anticipated effectiveness of grant programs in addressing identified homeland security needs
Process

- Department of Homeland Security examines Threat, Vulnerability, Consequences
- **Threat** - likelihood of a type of attack
- **Vulnerability** - likelihood that attack would succeed
- **Consequence** – potential impact
Funding Breakdown

- 1999-2002 Delaware Received $3.8 million
- FY 2003 $16.9 million
- FY 2004 18.6 million
- FY 2005 $11.9 million
- FY 2006 $10.1 million
Funding Breakdown

- FY 2007 Delaware Received $6.2 million
- FY 2008 DHS advised a 50% cut is to be expected unless circumstances change
Why the funding decrease?

- We are safer! ? #
- There is no longer a threat?
- Decrease in availability funds?
- Funding shift
- Sustainability?
Future Funding?

- Homeland Security Funding was intended as seed money
- It is time to water!
National Incident Management System (NIMS) Compliance

- Homeland Security funding now based upon performance and requirement for NIMS Compliance
- NIMS Compliance matrix established and updated yearly
- NIMS 5 year training program established
NIMS Compliance Matrix FY 2007

- Complete ICS 300 ICS 400 Training
- Compile inventory of response assets validate that inventory conforms to FEMA Resource Typing Standards
- Utilize response asset inventory for mutual aid requests, exercises, and actual events
NIMS Compliance Matrix
FY 2007

- Develop systems and processes to ensure that incident managers at all levels share a common operating picture of an incident
- Establish public information system to gather, verify, coordinate and disseminate information during incident
NIMS Compliance Matrix
FY 2007

- Monitor and assess outreach and implementation of NIMS requirements
- Provide a consistent nationwide template for Federal, State, and local governments, the private sector and non-governmental organizations to work together for disaster preparedness, response and recovery.
NIMS Compliance Matrix
FY 2008

State and local governments are to encourage the adoption of the NIMS by the private sector, nongovernmental organizations (NGOs), utilities, primary and secondary schools, colleges, universities, hospitals and the health care system.
NIMS Compliance Matrix
FY 2008

- Ensure that Federal Preparedness Awards, i.e. DHS Homeland Security Grant Program, supports NIMS implementation

- Must make satisfactory progress in meeting all required NIMS implementation activities
Audit agencies will verify that all Federal preparedness awards are contingent on the achievement of previous NIMS implementation activities.
NIMS Compliance Matrix
FY 2008

- Maintain State NIMS implementation strategy that includes a planning process to ensure communication, monitoring, and implementation of required NIMS activities for local governments
NIMS Compliance Matrix FY 2008

- Ensure completion of NIMS training courses by chief-elected, executives, and appointed officials in accordance with the Five-Year NIMS Training Plan
NIMS Compliance Matrix
FY 2008

- Promote the participation of NGO’s and the private sector in an all-hazard exercise program
NIMS Compliance Matrix
FY 2008

- Review and validate Emergency Operations Plans to incorporate NIMS components, principles and policies
NIMS Compliance Matrix
FY 2008

- Credential emergency management/response personnel to ensure proper authorization and access to an incident including those involving mutual aid agreements and or assistance agreements
NIMS Compliance Matrix
FY 2008

- Ensure that equipment, communications, and data systems are interoperable throughout State and local acquisition program
NIMS Compliance Matrix
FY 2008

- Apply common terminology as used in NIMS including establishment of plain language clear text
NIMS Compliance Matrix
FY 2008

Utilize systems, tools, and processes that facilitate the collection and distribution of consistent and accurate information during an incident/planned event.
NIMS Training
Five Year Plan

FY 08

- Required to complete IS 700, IS 800, ICS 100 ICS 200, ICS 300, ICS 400 Training
- Urged to complete IS 701 – IS 704 awareness level training
- Urged to complete ICS position specific training
NIMS Training
Five Year Plan

FY 09

- Must now complete the IS 701, IS 702, IS 703, IS 704
- Urged to complete Awareness Level training required in FY 08
- Urged to complete Emergency Management Framework Course
- Complete the ICS Position Specific Training
NIMS Training
Five Year Plan

FY 10

- Same as FY 09 for required training
- Same as FY 09 for suggested training
- Addition of Advanced ICS EOC Training
NIMS Training
Five Year Plan

FY 11

- Must now complete the IS 705, IS 706, IS 707
NIMS Training
Five Year Plan

FY 12

Must complete the ICS/EOC Course
Advanced training
